

## Senior Dining

The Nutrition Program provides older adults access to congregate on-site meals, home delivered (hot) meals, or home delivered (frozen) meals. There are eleven Senior Dining Sites in Grant County. Dining sites are places where older adults (age 60+) gather to have a well-balanced nutritious meal and socialize with others. The Dining Site manager also organizes special games (cards, bingo, etc.), invites guest speakers, or plans events such as local musical groups for entertainment.

Fellowship, Food  Fun

Cost: Older adults are given the opportunity to make a confidential contribution towards the cost of the meal. We can not charge due to federal guidelines. The actual meal cost is \$7.07 per meal. We ask for a suggested donation of \$3.25 per meal, but any donation amount is greatly appreciated.

Individuals that receive a home-delivered meal need to be certified as homebound. There is an established criterion to determine whether or not an individual is homebound.

- Congregate (On-site) meals
- Home Delivered (Hot) meals
- Home Delivered (Frozen) meals

Meal reservations must be made a day in advance. Please call during site hours or leave a message by 5:00 p.m. the day before you wish to eat.

Listed below are the locations and phone numbers of the meal sites and their dining times.
